Dear Dr. Page:

Recently both Lloyd Benizer and Bob Robertson have been hassled by a Mr. Leon Davidson with questions relative to their activities on and the results of the UFO panel which convened in Washington early in 1953. In anticipation that you might soon be harassed similarly, I am enclosing copies of an exchange of correspondence between Robertson and Davidson, and recommend strongly that you employ the general tenor of Bob's letter should the occasion arise.

In those cases where we have been required to correspond directly with Davidson, our reply has been merely one of acknowledging receipt and advising him that his queries had been forwarded to the Air Force for appropriate action.

Please advise us in the event you become caught up in this matter.

Best regards.

Sincerely,

[Signature]
Phillip G. Strong

Dear Lloyd:

This is an addition to my letter of 8 May, concerning the one to you from Mr. Davidson, and will also reply to your 19 May letter to me.

Since I wrote you on 8 May, Mr. Davidson has kept the pot boiling hard and many things have occurred. Of the most important of these is an exchange of correspondence between him and Bob Robertson. I am enclosing a copy of the two letters they exchanged and recommend strongly that you employ the general tenor of Bob's letter in your reply to Davidson.

I am also writing the other three panel members, Alvarez, Goudsmit, and Page, and sending them copies of the Robertson/Davidson exchange. This is being done in anticipation of their being bombarded by Davidson as you and Bob have been. Perhaps a solid front erected between the panel members and Davidson will discourage him. He is taking far too much of all our time and effort.

In those cases where we have been required to correspond directly with Davidson, our reply has been merely one of acknowledging receipt and advising him that his queries had been forwarded to the Air Force for appropriate action.

Please contact me if you continue to be entrained in this matter.

Best regards.

Sincerely,

Philip G. Strong
