— THANKS FOR THE "HANGER 18" VIDEO, I'M

GOING TO BUY A DISC VIDEO PLAYER TO ATTACH TO MY TV, ON BOAT, WHEN I FIND ONE TO PUT IN SMALL SPACE I HAVE.

I APPRECIATE YOUR OFFER TO ALSO SEND ME A DISC VIDEO ON "REAL UFO'S" YOU AND I MADE FOR HISTORY CHANNEL AS I DONATED COPIES I HAD OF IT AND NONE LEFT. — THE COPIES YOU SENT OF SOME OF YOUR RESEARCH WERE INTERESTING. AS YOU KNOW MOST OF THOSE REPORTS HAVE BEEN AROUND IN ONE FORM OR ANOTHER FOR QUITE A WHILE AND DIFFICULT TO REALLY AUTHENTICATE

NO - NOTHING NEW ABOUT THE JETS ACCIDENTS AT ROSWELL - AND REMEMBER, I DIDN'T SEE JET PHOTOS OR OF TEST PILOTS UNTIL 1967, BY THEN FLIGHT SUITS ETC WERE COMMON AND I PAID NO ATTENTION TO THEM. AND - YOU ALREADY KNOW HOW SMALL STATURE TEST PILOTS WERE USED AND WHY. ESPECIALLY AS AIRCRAFT BUILDERS DURING WAR. OF COURSE I ALWAYS WISH YOU CONTINUED SUCCESS IN YOUR OWN RESEARCH. NOT MUCH NEW HAS EVEN BEEN RELEASED LATELY.

THANKS AGAIN,

YOU FRIEND AT EDWARDS MAY BE ABLE TO VERIFY TEST FLIGHTS AND "SILVERADO", BUT REMEMBER THAT THE AIR FORCE GUY I TALKED TO THERE, TOLD ME VERY FEW ON BASE KNEW ANYTHING ABOUT ANY OF IT. ANY WHO DID WOULD HAVE BEEN LONG GONE MOST LIKELY AND AS EXPERIMENTAL "X" AND "Y" AIRCRAFT ARE NEVER COMMISSIONED OR IN ANY REGULAR AIR FORCE FILES EVER, EVEN A FOIA REQUEST CAN'T OBTAIN. I WOULD SUGGEST THAT YOU ASK YOUR FRIEND POINT BLANK IF HE KNOWS WHY EDWARDS AFB WAS RENAMED "EDWARDS". EDWARDS WAS FIRST TEST PILOT OF OUR DISC WHICH BECAME AKA "FLYING SAUCERS" THAT SGT SAID HE COULD NOT RELEASE ANY OF THOSE RECORDS AS THEY WERE ALL CLASSIFIED.
