RE: JET DISC FLYING WING.

Obviously some reason is causing lack of communication about your projected article on subject. Hopefully you rec'd my memo about adding the phrase: "ALL RIGHTS RESERVED" to it. IT SHOULD BE INSERTED IMMEDIATELY FOLLOWING TITLE ON ANY NEW PUBLISHED ABOUT THESE AIRCRAFTS IT HAS BEEN AWHILE SINCE ANY PREVIOUS WAS PRINTED.

OF COURSE, AS YOU KNOW, "AMERICAN-HERITAGE CENTER" HAS FULL COPYRIGHT anyway, BUT ADDING THAT PHRASE MAY HELP YOUR OWN INTERESTS IN FUTURE.

I HAVEN'T FOUND ANY MAGAZINE OUTLET HERE, YET, WHO DISTRIBUTES "POPULAR MECHANICS" MAGAZINE, IF ANYTHING STILL SCHEDULED FOR PUBLICATION IN IT.

2,

As I notified you, I did purchase
'History' CHANNEL TV BROADCASTS ON
EARLY GERMAN AIRCRAFT OF THESE TYPES
WHICH WERE QUITE RECENTLY OBTAINED
BY THAT PROGRAM. I SENT TO AM. HERIT. CENTER
