

15 March 03

I HOPE YOU'VE
SEEN THIS LATEST HISTORY CHANNEL
RELEASE ABOUT LUFTWAFFE SECRET
AIRCRAFT OF WWII. I BOUGHT AND
SENT A COPY TO WYO. HERITAGE CENTER

THE B-2 IS COPY OF HORTON
HO 229 - NORTHROP WENT TO NASM
SILVERHILL FACILITY AND SAW AIRCRAFT
WE CAPTURED AND NO ONE TOLD ABOUT
FOR OVER 40 YRS, IT IS STILL THERE.

^{SET} THE HORTON 18 AMERICAN BOMBER
WAS THE ONE SCHEDULED TO FLY 10 MILES
HIGH OVER 550 MPH TO BOMB NEW
YORK AND RETURN. NEVER FINISHED
BY GERMANY WWII THAT FIELD IN
FRANCE CAPTURED BY PATTON IS ONE
BUILT IN SAVANNAH, GA. AMAZING SO
MUCH ON VIDEO WAS NEVER RELEASED
EARLIER. SHOULD BE HELPFUL TO YOU,
 (over)

I WAS GOING TO INCLUDE IN LETTER
I WAS MAILING BUT IT WAS PICKED
UP BY MAIL CARRIER BEFORE I
KNEW. T - HERE ARE SOME
NOTES I MADE JUST NOW WATCHING
T.V. History Program. 1944

TA 183 HUNCHBACK (JET) 593 MPH
45,000 FT ALTITUDE

X 4 MISSILE 700 MPH.

(WE HAD A B-32 AS WELL AS B-29
AND B-36). HORTON BUILT ~~TA~~ TA 183
IN ARGENTINA AFTER WAR. BROTHER
BECAME NATO GENERAL.

THAT "HORTON JET IS AMERICAN
BOMBER" LOOKED LIKE AT LEAST
8 WHEELS. FUSILAGE LIKE NORTHROP
FLYING WING - ALL BEFORE WE
HAD ANYTHING SIMILAR. USAF KNOWS
ABOUT ALL AND UNTIL THIS BROADCAST
PROBABLY DENIED ALL, INCLUDING SAVANNAH, GA.
