

██████: VERY Important. I NEVER TOLD YOU ANY DISCS
WERE TESTED AND STATIONED AT MACD, LL AFB. THEY WERE
PARKED THERE ONLY. LANDED ONCE AND MAYBE FLOWN OUT ONCE

Dear

Now THEY WERE TAKEN OFF BASE AS THEY WERE STILL THERE 2/22/05

IN 1969
THERE WAS NEVER ANY MENTION TO ME ABOUT ANY OTHER TYPE AND
ONLY ONE COMMENT-THAT HE WOULD NOT TELL ME WHAT WAS IN
THAT SMALLER HANGER ON BLDG NEAR WHERE PARKED, SO THERE IS NO WAY
Enclosed, please find an updated illustration of the smaller 40 foot disc with TO TELL

Enclosed, please find an updated illustration of the smaller 40 foot disc with the corrected air-intakes. Please mark up any changes that you feel are necessary, and send them back to me. [REDACTED] as you know, I'm a very serious aviation historian, and feel it's very important to include both the breakthroughs, and some of the more negative responses that I have received from Air Force personnel, and aerospace engineers. I am including a letter from [REDACTED] was the chief aerodynamicist at the Lockheed Skunk Works for 40 years. I am also including a letter I received from [REDACTED], you will recall that [REDACTED] I was secretary of the Air Force during 1993-1997. This means that [REDACTED] fell under her command. I agree 100% with your previous statement that anyone who was not at MacDill AFB during the time you personally saw the jet disc aircraft, can't seem to believe that those jet discs actually existed. That seems to be the case from the responses that I have included.

TO TELL WHAT
OR WHY - ONLY
GUESSING
AND WE DON'T
NEED THAT.

ANYONE
KNOWING
ANYTHING
ABOUT
MAGILL WOULD

CHALLENGE IN MY SUCH
GUESSES! AND ALREADY
HAVE.

Warm regards,

EVERYONE YOU CONTACT -
IF THEY KNOW NOTHING - WILL
SEIZE ANY WRITTEN ERROR ON
YOUR PART - OR CONJECTURE - TO
DISCOUNT BOTH YOU AND ME!

A LADY REPORTER FOR "SIGHTINGS" TV WROTE A PAPERBACK IN WHICH SHE SOMEHOW TRACED BACK TO "AURO AND MIETHE". I SENT THE ONLY COPY I OBTAINED TO WYO. HER HISTORIC REPORT VERY SIMILAR TO WHAT YOU'VE FOUND. PRES EISENHOWER ORDERED PROTECT WHICH BECAME SILVERBOL. IT WAS NOT ORIGINALLY "AURO" (IF EVER). Brockway McMillan (ASST SEC OF AF RES. & DEV.) SHOULD KNOW ABOUT SECT. QUARLES RELEASE ABOUT AIRCRAFT ALMOST EXACT DESCRIPTION AS REPORTED "FLYING SAUCERS"

(over)

P.S. THANKS FOR INCLUDING THE NEGATIVE
REPLY FEEDBACK YOU RECD. AS I TOLD YOU TO
START - VERY FEW WILL HAVE ANY IDEA AT ALL EXCEPT
THEIR OWN PRECONCEIVED NOTIONS CONCERNING UFO'S AND
'FLYING SAUCERS'. NOT MANY AT ALL!

WE OBVIOUSLY DEAL WITH THE UTTERMOST TOP SECRET
JET DISC AIRCRAFT PROJECT EVEN BUILT AND FLOWN. ~~ANY~~
ANY SUBJECT MORE SECRET THAN THE "MANHATTAN PROJECT"
IS ASSUREDLY "TOP SECRET." WHY IT HAS REMAINED SO, I
SIMPLY DO NOT KNOW OR EVEN UNDERSTAND. ALL I TOO, CAN
DO IS JUST GUESS AND GUESSING ISN'T WORTH MUCH.

AS YOU ARE FINDING OUT - ANYONE WHO ^{IS} "SUPPOSEDLY"
WAS HIGH ENOUGH OR INVOLVED ENOUGH IN ANY OF THOSE
PROJECTS AND REALLY DON'T KNOW WHAT YOU ARE TALKING OR
WRITING TO THEM ABOUT NOW ARE GOING TO BE MORE OR
LESS INSULTING IN THEIR REPLY - IF THEY REPLY - AND
NOTHING YOU CAN SAY OR DO IS GOING TO CHANGE THAT
RESULT MUCH AND NEVER WILL UNTIL A BREAKTHROUGH REALLY HAPPENS.

TO KEEP IT SIMPLE YOU SIMPLY HAVE TO MAKE OR HAVE
MADE AN ILLUSTRATION WHICH IS CORRECT. AS FAR AS PROJECT
SILVERBUG, THE ACTUAL WAY THEY WERE DESIGNED AND BUILT IS
FULLY INCLUDED IN THAT DECLASSIFICATION RELEASE COPY I SENT YOU
AND THAT WAS USAF AND NOT AVRO AND IT WAS AT
MAXWELL. WHO ENDED UP BUILDING ANY I DO NOT KNOW!
