

13 DEC 03 - Memo!

RE: YOUR INTERNET RELEASE CONCERNING "FLYING SAUCERS FOR REAL!"

I QUOTE PART OF YOUR PG 4 ABOUT AIRCRAFT PERFORMANCE.
..."ALL FOUR AIRCRAFT WERE CERTAINLY SUBSONIC."
..."ALTHOUGH NOT HAVING REVOLUTIONARY PERFORMANCE FIGURES."
- AND - YOU CHANGED THE SPEED OF "ALL 4 OF THE AIRCRAFT TO ABOUT 629 MPH." YOU NEVER GOT SUCH ERROR INFORMATION FROM ME!

AS THE PAGES YOU SENT AS COPY TO ME DO NOT HAVE THOSE STATEMENTS, I WAS CONSIDERABLY SURPRISED AT THE CHANGES YOU MADE. TO ME, OBVIOUSLY A RESULT OF YOUR OWN PRECONCEIVED IDEAS DEVELOPED DURING YOUR OWN RESEARCH EFFORTS, THOSE EFFORTS HAVE REALLY BEEN CONSIDERABLE. UNFORTUNATELY YOUR EFFORTS HAVE NOW TRIED TO CHANGE THE FACTS OF REALITY CONCERNING THOSE AIRCRAFT PERFORMANCE AND YOUR OWN WRITTEN ARTICLE, "FLYING SAUCERS FOR REAL!" IS NO LONGER FACTUAL OR EVEN TRUTHFUL AND JOINS ALL THE OTHER ALMOST TOTAL FAILURES.

I WISH YOU WELL IN WHATEVER IT IS YOU ARE NOW TRYING TO ACHIEVE CONCERNING THE AIRCRAFT, - HOWEVER -

AS I INFORMED YOU MORE THAN ONCE, MY EXPERIENCE WITH EVEN WELL INTENTIONED RESEARCHERS ON THIS SUBJECT HAS ALWAYS ENDED UP AGAINST A BRICK WALL OF MISINFORMATION, AND MISTAKEN IMPRESSIONS, THEY ALL CAUSE THEMSELVES,

YOU DID EXCEEDINGLY WELL - ONLY TO RUIN YOUR ENTIRE EFFORT TO REALLY FIND THE FACTS OF REALITY ABOUT THOSE AIRCRAFT. BUT YOUR EFFORT SHOULD BE SALVAGEABLE AND OF CONSIDERABLE INTEREST, EVEN WITH SUCH TREMENDOUS ERROR. OBVIOUSLY, NO ONE WHO SEES AND READS IT HAVE VERY MUCH KNOWLEDGEABILITY ABOUT THEM. NEITHER DO YOU, AND I REGRET THAT, TO ME ^{IS} SAD FACT.

- PLEASE NEVER CONTACT ME AGAIN ON THE SUBJECT. AS FAR AS I'M CONCERNED YOU'VE SUCCEEDED IN ACCOMPLISHING EXACTLY WHAT MOST RESEARCHERS END UP ACCOMPLISHING. THEIR OWN PRECONCEIVED IDEAS, STILL WRONG! IT SEEMS CERTAIN TO ME YOU WILL NEVER FIND THE REAL STORY ABOUT THESE AIRCRAFT.

- Publisher, Retired.
