I've asked him for more information and if any of these sightings were related to his contracting job.  
We'll see.

I'm a former government contractor, university professor and Naval Aviator (Aircrewman).

I have witnessed six events events:

One in Plainfield IL in 2016 (Triangular w/lights),

One outside of Hurricane UT in December 2018 (Triangular w/lights)

One in 1974 in Colorado - possible visitation ET

One in Afghanistan 2010 Helmand Province (Boomerang Shape March 2010)

Possible crash on the Colorado National Monument - circa summer 1984

Off the coast of California - while walking on Coronado Beach June 27th (have pictures and video.)

My wife also witnessed a triangular shaped vehicle hovering between the Hotel Del and Glorietta Bay Inn in Coronado between 2009 and 2014.
