Thanks, Steve. [REDACTED] (4-star) is retired but still actively works for DoD as an SAIC contractor and as a special advisor to various black programs. He also advises the Joint Staff and like all 4-star CINCS, is made part of various decision processes & events. Bottom line: He is still very much a "player".
Best, [REDACTED]

I apologize for that slipping thru, but if [REDACTED] had testified at the media event (he wanted to but had to drive back that day) he most likely would have mentioned the Adm. anyway.

I though [REDACTED] was retired? Or does he still carry on official duties?

To my knowledge, no mainstream media have carried the release yet, so it is unlikely that he has seen it.

Hopefully, all will be well.

Thanks,

Steven
