

>make a claim that sweeping to an audience that has pored over all scraps
 >of
 >research on non-lethal weapons technology available, particularly the EM
 >variety. The torture of civilians goes on, and nit-picking over RF
 >triangulation loci, based on the anachronistic, "mainstream" data
 >available
 >in the unclassified sector, is futile and disctracting. [REDACTED] denies
 >not
 >only his role in, but the very existence of, the atrocities because they
 >are
 >every bit as black as those endured by victims of fascist war crimes.
 >
 > But this is the issue here, isn't it? [REDACTED], the intelligence
 >agencies you work for are beyond criminal. Journalist [REDACTED]
 >reported
 >that in 1967 that the CIA dropped napalm on Guatemalan Indians because
 >the
 >oil companies wanted to pump the petroleum beneath their land. The
 >native
 >"subhumans" were burned alive, and the oil companies purchased the
 >extraction
 >rights from puppets in the Guatemalan government at low cost. When asked
 >about this episode, the CIA does not shrug and admit, "Yes, we killed
 >those
 >Indians for the oil." The response is, "there is not one scintilla of
 >concret
 >evidence to support that allegation."
 >
 > [REDACTED] denial has been circulated to some of the victims of
 >MILAB.
 >He would appear less a Nazi, I suppose, if he refused comment; but to
 >expose
 >himself, in [REDACTED]e, as a liar snatching at the "no evidence" straw,
 >well,
 >only a representative from the criminalized "intelligence" services
 >would
 >protest too much, because any other course would expose the rot.
 >
 > Why waste our time? Climb back in your hole, [REDACTED], and
 >exercise your pathologies with an understanding that many of us "out
 >here" on
 >the Net know you as an occultic concubine of fascist sugar daddies.
