>>>Tony,

>>> I support CSETI's efforts totally but I brought it up as there will
>>>definitely be challenges to this claim because of what the unit history
>>>says. Also I have a witness who claims he was an NBC technician that

>>>monitored a recovered UFO at Wright Patt in the mid-1980s. He has let me
 >>>make copies of his service
 >>>record and allowed me to video his testimony. He has also said that if
 y'all
 >>>ever go before Congress he
 >>>would be glad to testify if he was given immunity. Problem: His service
 >>>record only verifys that he was
 >>>at Wright Patt then and that he has the MOS he claims. No where does it
 even
 >>>say he had a Secret Security or Top Security clearance or a Krypto Top
 >>>Secret clearance as he claims he had. He does
 >>>have a flyer put out by his unit that says all people with his MOS have to
 >>>have a Secret Security clearance.
 >>>He says they take that out of service records but I have been assured by a
 >>>reserve First Sergeant of an
 >>>infantry company that he routinely see, as "Top" of his company, service
 >>>records that show Secret and
 >>>Top Secret and other type clearances. He also says that when you get out
 >>>those clearance stamps stay
 >>>on your service record. Another retired Sgt. Major says that any travel
 >>>orders show those clearances which George Filer, a retired Major, says he
 >>>believes is true. So I got a great story but probably a liar telling it.
 And
 >>>I can tell you he is most convincing! And I'm sure I can get him to sign
 >>>statements to that
 >>>effect even; it means nothing however if you are not honorable. And there's
 >>>plenty out there who will
 >>>lie in front of cameras and Congress. But y'all will be left holding the
 bag
 >>>if there stories are disproven.
 >>>. Witnesses are easily to find; I don't trust any of what they say unless
 >>>they can prove it; neither will Congress. Below is what I posted to someone
 >>>saying "And the Air Force never lies." I hope y'all use
 >>>such scrutiny when interviewing witnesses. I must also say, having
 served in
 >>>the Marines, that I would
 >>>be most distrustful of any in rank, regarding such sensitive secrets, that
 >>>are not at least E-8 and above.
 >>>Junior officers should also be discounted for the most. No one shares these
 >>>type of secrets unless they
 >>>have a solid track record and years in the military. This is what always
 >>>has made me feel more comfortable with B[REDACTED]'s testimony as he
 retired as
 >>>a Command Sgt. Major. My witness was an E-5
 >>>and had been in the USAF for about 5 years when he was posted to Wright
 >>>Patt. That alone does not
 >>>disqualify his story but I would be surprised that he would have been
 >>>allowed in with his rank and experience. He was at least on his second tour
 >>>of enlistment so had some track record but his rank
 >>>is not near enough. Put that with no clearances showing and him knowing no
 >>>code words, ect, it makes
 >>>his testimony most suspect.
 >>>
