Greetings, Dr. Greer:

As you're currently looking for new military witnesses, you may want to include some of the insights from my deceased friend [REDACTED]'s videotaped testimony shortly before he died, regarding what he experienced as a fighter controller captain at a NORAD base in Comox, British Columbia respecting UFOs while in the military in 1960 and subsequent years, including his initial exposure as an allied POW during WWII. Further info is available at our website @ [Challenges of Change](#).
