>
>Dear [REDACTED]:

>At the Prophet's Conference in Phoenix, I understand that Dr. Greer
>mentioned the Alien Reproduction Vehicles which were on display at
>Norton AFB in 1988. Also, mentioned was that you were unable to
>fully
>verify this information.

>
>We may be able to remedy that situation.

>
>A member of MUFON Inland Empire (California's Riverside and San
>Bernardino Counties), John Stevens, is part of the EPA's
>"Super-fund"

>RAB (Rehabilitation Advisory Board). As such, John has a
>"Presidential

>Right to Know" clearance. Any question he asks of the Air Force,
>MUST
>be answered.

>

>On April 13, 1997, in Loma Linda, California, at the RAB meeting,
with

>the chairman of the Air Force Base Conversion agency, Col. Tom
Bartol

>(Ret.) present, [REDACTED] formally requested an Air Force
response

>and read into the minutes (we have a copy) [REDACTED]
(Ret.)

>passage from "The Day After Roswell."

>All hell broke loose -- Col. Bartol bolted the meeting, ran out into
the

>hallway, put his hands on his ears and began singing loudly (we have
him

>on video)! This past Thursday, when the RAB team arrived for their

>October meeting, [REDACTED] had posted a sign indicating the meeting was

>postponed until January 1998.

>

>At January's RAB meeting, we intend to have press coverage to

>chronograph the Air Force's response. [REDACTED], if you or Dr. Greer
would

>like to pen a statement on the Alien Reproduction Vehicles, we would
be

>pleased to read it into the meeting's minutes.

>

>Best regards,

>[REDACTED], State Section Director
