Hi Steven,

[redacted] wife's name is [redacted] She was the campaign manager for Bush for the state of California before she broke her shoulder then she had to step down. If you want to do a 3 way call so I can introduce you that would be fine with me. As I said yesterday, [redacted] was the host of the video Free Energy: The Race to Zero Point, he was also the host of the ABC TV show called Open Mind in the 60's. He is currently working on his own energy technology.

Good Luck,
