Dear Sir,

In the July 2001 issue of the British magazine UFO there is an article about the Disclosure Project. On page 11 there is a statement by a witness Don Philips. He says he was stationed at Las Vegas Air Force Station at the time of his sighting. He mentions the base commander Lt. Col. Charles Evans. Col. Evans was my father. He passed away in 1980. I would like to talk to Don about this incident as I remember some of my father's airmen talking about it. Please give my address and phone number to Don so he may contact me. As I recall I met Don twice. I was 17 at the time.

TH L You
