██████████

We are so excited about the prospect of going to England this summer. Is there still room available at the rectory you are renting? We would like to reserve 2 weeks. There are 6 of us, so we would need 3 bedrooms. We were thinking of the end of July and Steve seemed to think that would fit into your schedule. Please let me know dates that would work. Do you know about how much you think it might cost? Once we can firm up plans with you we can start shopping around for, dare I say, reasonable airfares.

Also ██████ the most important reason for writing is that Steven would like to ask you to serve on the CSETI Board of Directors. The Board is made up of 4 people who need to meet twice a year. We are also asking ██████████ if she would like to serve on it. The Board would be you, Marian and Steve with one vacancy. The three people here who currently serve on it are really involved in human social issues, but not interplanetary ones and would like to resign. Meetings would be easy as Steve is in Denver so much anyway and I'm sure you, he and ██████ would have a great time discussing CSETI over tea or dinner. Give Steven or me a call or fax if you have any questions. I've enclosed a copy of the bylaws.

Please let me know about both things. (Fa ██████████ 6) Project Starlight is really heating up and going great guns.

Wishing you many blessings, ██████

██████ had said you wanted 100 newsletters to distribute. Fantastic. I've got 90 here which would be \$53.00. Let me know if you want that many and I'll figure out the best way to send them - probably UPS. It shouldn't take too long.
