

Triangle off loading drugs. 3
friends with knowledge of it
Rogue aspect of people doing
illegal operations.

Kirkpatrick a side show clown.
This needs resolution in less
than a year

Another guy had a terrible time.
Cleared in January. Free now.
Contracting people don't want
him to go public. Other guy
ready now. I'll be free in 6-12
months. I have clearances
others do not have

Want my family and job secure
I've lost faith in Kirkpatrick. Hire
me properly to help. I don't
want these mf people using this
technology and running drugs.
If I wasn't threatened I'd be
public

I'm trying to figure out next step
Rogue group since Truman and
Eisenhower. Puts whole human

race at risk. ETs see it. But it's a risk to humanity how this is managed.

██████████ don't understand
You're the first who understands

I don't want anything bad to happen to my family
Once or twice a month I get a rash of calls to do something. If I do it too soon I can get screwed.

Make ██████████ a year
Trying to keep 2 households ██████████
██████████

██████████ read letter he wrote about it
I'll work on more detailed letter.
I'll have to ask my contractor boss and NSA about it
Friend in military out now. Did not work in Legacy Ufo projects. In Colorado. Air Force officer. Has other friends in dc area with knowledge
