>

>Dear CSETI,

>

>Several years ago I was in attendance at the New Hampshire Mufon UFO
>Conference where Dr. Greer was a featured speaker.

>It was my first time meeting Dr. Greer, and I had the pleasure of
speaking

>with him briefly at that time.

>My capacity was twofold. I was Membership Director of the Rhode
Island

>Chapter

>of MUFON and also served as it's Publicity Director. I also hold an
official

>MUFON

>Investigator status . During my tenure in the U.S. Army, I had a top
secret

>clearance

>and was invloved in international intelligence for the United
Nations during

>the

>Vietnam era and for a time thereafter.

>The creation of CSETI is a wonderful beginning in the formation,
education,

>and

>research regarding extraterrestrials.

>I wish CSETI continued success and if possible, please convey my
greetings to

>Dr. Greer.
