VIP Briefing

Dear Steven:

I was speaking this morning to [REDACTED] who indicates that he would be available for a briefing either Wed. April 25th or Thursday April 26th. He's got quite a schedule, so if either of these days is possible, we might want to lock them in now. I know we were thinking of waiting until the end of April to do the inviting, but it came up in the conversation this morning.

File

He knows [REDACTED] of Worldwatch quite well, and will be thinking of whether to invite him. I don't know Lester personally, but have a sense that it would be good for him to hear this. Is it OK to include others in the briefing, or would you just as soon that it be more private?

I'd be interested in whether [REDACTED] says yes. He's heading the progressive caucus, and might be prevailed upon to invite others.

Best,

[REDACTED]
