Subject: phone call from [REDACTED]

Hi Steve and Emily,

[REDACTED] from San Juan Puerto Rico, called the CSETI number here a little while ago and also left you a message on the [REDACTED] number at your house.

Steve, he wants to talk to you about a Navy base on the island of Vieques, near Puerto Rico, where witnesses - including a security guard that works there - have seen large saucer shaped craft coming and going.

Witnesses

There has been a lot of commotion about the Navy's presence there polluting the area.

His phone number is [REDACTED] The last email address I have for him is [REDACTED] (as of 7/00)

It sounds like there is documentation and photos to support this. He's wondering if you would be interested.
