Dear [REDACTED]

Thanks for keeping me posted on your shows. I have also copied this email to [REDACTED] who is the Director of Project Icarus [REDACTED] who should be very interested in what [REDACTED] has to say since they are trying to develop [REDACTED] capabilities using conventional technology.

Best regards,

[REDACTED]

[REDACTED] is an military aerospace historian and private pilot. He is a former writer and graphic illustrator for [Open Minds Magazine](http://www.openminds.tv), the premier UFO magazine at the newsstands (www.openminds.tv).

[REDACTED] has lectured across the country on the subject of "Mystery Aircraft" and classified propulsion systems buried deep within the US military-industrial complex. A recent guest speaker at the world's largest air

show, Oshkosh AirVenture, [REDACTED] has developed a number of contacts which have had first-hand experience dealing with classified "black programs", including former US Air Force pilots, retired US Navy personnel and aerospace engineers who have maintained a top secret "Q" (or "Majic") clearance.

[REDACTED] is an expert on [REDACTED] the former president of Lockheed-Martin "Skunkworks" (formerly at Burbank and now at Palmdale, CA) and has conducted extensive research on his work and the US Government's anti-gravity technology program. In this show Michael and the host, T.L. Keller, compare notes on the alleged secret facility known as "Area S-4" which is 12 miles south of Area 51 in Nevada.

This show reveals startling details of level 1 of the secret Area 51/S-4 facility and complements three previous programs featuring [REDACTED] (see show archives). Part II will explore the details of the additional four underground levels of S-4.

[REDACTED] urgently requests any information relating to [REDACTED],
[REDACTED] or
Area 51/S-4
and can be contacted at [REDACTED]

The host, [REDACTED] a former aerospace engineer, can be contacted at [REDACTED].

Be sure to check out [The Total Novice's Guide To UFOs](#) at [REDACTED]. A one-hour video featuring [REDACTED] and S-4 is available at the same website.
