Dear Steven,

Thank you for your letter of Jan. 11. Unfortunately I will be unable to be at your meeting on Feb. 12. However, I would like to remain on your mailing list for future meetings and information.

It was very nice meeting you at my father's home. You are in a terribly interesting field which we believe in for a long, long time.

Financially, I am unable to help you at this time but you've got a "warm body" here if you need me.

Terrestrially Yours,
