Hi! The Monroe Document has been authenticated by two high-ranking CIA employees. Your comment, "Somebody doesn't want Roswell to go away," rings true when you look at all the evidence that has been surfacing. The Monroe Document is yet another piece of evidence that illustrates that certain individuals from the inside (government) want to release information to the public.

Thanks for your interest. The document will be in library 7 by the end of this week for people to view and read.

Sincerely,
Encounters Staff
