Dear 

I would like to thank you on behalf of CSETI and the Project Starlight Coalition for your time and interest during our meeting last friday. We realize how very busy you are and appreciate the amount of time you were able to devote to this issue.

I hope that you will have time to thoroughly review the briefing materials which I left with you, and will feel free to ask any follow-up questions which may come to mind.

It is our sincere hope that you may assist in the process of seeing that the numerous witnesses whom we have located will be protected and able to provide public testimony . Certainly, the ultra-secret, and probably illegal, management of this matter is a direct threat to the national security, and undermines the basic principles of our constitutional democracy.

Again, thank you for your time and interest. It was an honor to meet you, and I hope that we may have the opportunity to explore this matter further in the near future.

Sincerely,

Steven M. Greer M.D.
Director of CSETI

PS: A sincere thank you also to your able assistant,  I hope she will feel free to have her husband call me regarding his interest in this matter. SG
