Dear Steven:

On behalf of the members of the Inside Edge, I wish to express our heartfelt appreciation for the incredible morning you created for us.

Can you believe that your presentation was one of the most popular ever at the Inside Edge? I'm sure you can! You demonstrated such conviction and sincerity on the subject that truly opened people's eyes to things they had never seen or known before. Your case was truly convincing and your credibility showed up in more ways than one.

Thank you for bringing this incredibly important information to our group and for taking the time and effort to be with us at such an early hour. In addition, your charm and wonderfully brilliant and fun loving personality shone through all the facts and information in a way that made the morning even more enjoyable and exciting. Steven, thank you for making a difference in our lives and in the world! You are doing great work and we were thankful to be a part of that.

We believe that it is because of people such as you, willing to share yourself and your work with others, that the Inside Edge has developed into the unique type of community that it is today. Thank you for your wonderful contribution to that.

Please know that we appreciate your support and wish you the very best always. Keep in touch and let us know how we may further support you in your important work.

Warm Regards,
