Dear Stephen and

Thank you - the photos of your family are delicious - There is an old movie I love to watch - it's called "four daughters". They were a musical family and all members played various instruments - You all look like a wonderful melody -

In enclosing Stephens travel itinerary along with mine - looks like we will be driving up together. I will have him (you) in Seattle in plenty of time to catch his plane home. Also enclosing my signed agreement plus one small photo of Beul taken 2 1/2 years ago at his last concert in Santa Barbara.

Since I will arrive first I will meet Stephens plane in Denver on the 26th. I will also meet Alice -

I am happy that Stephen and Beul will have a day together - am also delighted to be a member of your Citi Teams

Blessings across the miles, best from Beul

Love forward to your fall visit! In Light w Love
Dorothy Jones

I am leaving early AM to Camarillo Calif - my
daughters tel # 805-987-8385- will return
next Monday - D.
