Dear John,

Thank you for your thoughtful and very insightful memo of 21 Oct. 1993. The CSETI Executive Council concurs with the name Project Starlight, and appreciates the points you make concerning the significance of this effort.

I will be in Washington on Nov. 8 and 9 for meetings, and would like to meet with you on the 9th at around 10:30 am. I will not have a car, but will be staying at the Four Seasons Hotel at 2800 Penn. Ave NW, and we could initially meet there, if that is agreeable with you. There is much to discuss, and so I have reserved until 2:30 pm for our meeting.

My plane leaves from National Airport at 7:30 pm, and I have other meetings beginning at 2:30 pm. On Nov. 8, I will be meeting with Laurance Rockefeller and others, in the late afternoon.

Things are developing remarkably on this end and I look forward to briefing you on all the details on the 9th.

We are sending to you via FedEx a package with a number of items for your consideration, although I realize that you are returning from China late on the 8th, and that you have a meeting early on the 9th, and so may not have time to read it.

Hope you had a successful trip to China - Welcome home!

Wishing you the best of all worlds,

Steven M. Greer M.D
