10640			USA	Stringfield Witness - Presently employed by a large utility company in Cincinnati. Mechanica I background. Served as Sergeant in Air Force, overseas and at Wright- Patterson AFB. I (Stringfield) was introduced to (redacted) by the comptroller of an industrial firm in Cincinnati, who, as a pilot, attended a second lecture I had made before the Cincinnati Chapter of the World Wings Association on April 6, 1978. (Redacted) dated the daughter of General H. W. Turner Logistics Command, who served in a highly secret capacity at Wright-Patterson in late 1970's. (Redacted) claims he saw top secret documents relative to a UFO incident, which the General had taken out of his briefcase. One such document concerned an incident in 1968, which involved a landing of an alien craft at the Nellis AFB in Nevada. The C.O. and a detachment of troops approached the craft. Humanoids were encountered, and as a result of some exchange of action a light beam was directed at the C.O. causing paralysis. The General related to (redacted) other information concerning an alien humanoid retrieval following a crashed or disabled UFO in the southwest in 1957. He claimed to have seen severely burned bodies, each wearing heat-resistant, nearly indestructible suits. On my request, made several attempts to reach General who supposedly lived in retirement in Colorado.	0
