Re: "Flying Saucers"

*Investigation:*1. On 5 August 1947 ~~Mr.~~ CANNON of the ~~Transport~~ ~~PL51/1783~~

Provost Marshal's Office contacted this office and reported that

Subject, ~~who was a~~ ~~had attempted to enter the~~

BUCCH Compound for the purpose of contacting General CLAY and

revealed to him the secret of the "flying saucers". The following

information was obtained through interrogation of Subject.

2 Results of Investigative Activity:(a) BERNHARDY, Guido, Helmut, Julius, ~~_____~~~~_____~~ was born on ~~_____~~

He claims never to have been a member of any Nazi organization, and

alleges that he served during most of the war with the Kriegsmarine.

(German Navy)

He professes no technical skill, and gives his profession as

student of history.

(b) On 5 August 1947 ~~_____~~ BERNHARDY stated that he was prepared to give the following vital information to General CLAY or to his adjutant:

1. The true interpretation of the "flying saucers" which are, according to Subject, a new and terrible weapon of atomic destruction.

2. The name of the foreign power which sponsors these weapons and which intends in the very near future to employ them for the destruction of the world.

3. The method by which the destruction of humanity may be prevented.

4. The exact location of LITLAK and BOLZANIN.

(c) Subject was informed that an audience with General CLAY was impossible and unnecessary, since such information was always

5USC552 (b) (6) & (b) (7) (C)

forwarled indirectly. Subject refused to give the information indirectly, however, since he believed that time was too short and that the terrible responsibility could be assumed only by the General himself. At this point Subject was given the address of the

Frankfurt CIC office and told to report here at 0800 hours *16 August 1947*

with a complete written account of his information. (exhibit "A").

(d) Subject will remain at the Rebstocker Bunker, Rebstockerstrasse, FRANKFURT until 10 August 1947, and will then return to COMIN.

3. Agent's Notes Comments, and Recommendations:

Subject seemed extremely sincere, and the strong possibility that he is merely a crackpot is not apparent. Forwarded for your information. Evaluation F-6.
