1995 = took trip Salt Lake City to TX - living in his
Back roads car for 3 yrs.
now

~~2pm~~

2am.?? - looked like rescue flare

walked thru woods / some kind of
military operation - truck lights shining

on tetrahedral object - soldiers saw him
observing & moved
toward him
about 12' tall -
helicopter "buzzed" when left area

= went back to job

= "suits" started to show up

working at to start ~~investigation~~

some merchandise was stolen. Thayer
they were watching because of that
"So how's the investigation going"

= saw TV program about Bentwaters
craft shown re " was what he

- saw ~~people~~ ^{saw in woods} putting ~~liquid~~ ^{liquid} on his car if he went to police

- started having weird health problems /
sort of amnesia / feels someone was putting
drops of something on hood of car or in
car - similar to Chronic fatigue syndrome
feels like tracking device & listening device
on car / wait let him have any relationships

- people he gives rides to, get sick too
if takes diazepam it seems to work to help it

can't think
straight
