REF: FOIA Case F-2020-00092 Appeal

Dear Mr. Greenewald:

This is in response to your email, dated 28 June 2022 and received in the National Reconnaissance Office (NRO) 29 June 2022, in which you are appealing the NRO's "Denied in Full" response to your 3 July 2020 request under the Freedom of Information Act (FOIA) for, **"A copy of records, electronic or otherwise, of reports, letters, memos, etc. that pertain to "UNIDENTIFIED FLYING OBJECTS" or "UNIDENTIFIED AERIAL PHENOMENA" or "UNIDENTIFIED AERIAL PHENOMENON" or "UAPs" or "UFOs" etc. Therefore, I ask, that you include the following as responsive:**

- 1) All reports, memos, letters and investigations on "UNIDENTIFIED FLYING OBJECTS" or "UNIDENTIFIED AERIAL PHENOMENA" or "UNIDENTIFIED AERIAL PHENOMENON" etc.
- 2) All guidelines, procedures or manuals (or instructions etc.) that pertain to the way these "UNIDENTIFIED FLYING OBJECTS" or "UNIDENTIFIED AERIAL PHENOMENA" or "UNIDENTIFIED AERIAL PHENOMENON" etc. are reported."

As the Appellate Authority, and after a thorough review of your request, I have determined that there is additional information that can be released. The additional release is reflected in the revised document attached to this response. However, with regard to the remaining information that is withheld from release, I am upholding the NRO's initial determination that the information is eligible for denial, and will continue to be denied pursuant to FOIA exemptions (b)(1), as properly classified information under Executive Order 13526, Sections 1.4(c) and (b)(3), which is the basis for withholding information exempt from disclosure by statute. The relevant withholding statute is 10 U.S.C. § 424, which provides (except as required by the President or for information provided to Congress), that no provision of law shall be construed to require the disclosure of the organization or any function of the NRO; the number of persons employed by or assigned or detailed to the NRO; or the name or official title, occupational series, grade, or salary of any such person.

As part of the 2007 FOIA amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA (not Privacy Act) requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:
