> Steven,
>
> Congratulations. Your Press Conference was excellent. I hope the
> rest of the process goes well for you. I have encouraged Skywatch
> members to write to their congressmen as I have written mine.
>
> I, of course, know a few of the people who testified and others
> I have been in contact with who did not. I hope that future progress
> will encourage them to come forth.
>
> My last contact was with a man living here in the desert who has
> a computer business. He has an Area 51 admittance badge. He has
> worked part-time on contract for the U.S. Navy working on reverse
> engineering an Alien Translator. Because of a recommendation from
> a friend, he opened up with me, but he is not ready to go public
> as he is still at their beck and call.
>
> Best wishes,
