>To whom it may concern,

>I am an active enthusiast of UFO/ETI phenomena. Recently, Feb. 21st 1997, I was listening to the Art Bell show on my way from Ontario, CA to

>Pittsburg, KS and listened to Dr. Greer's portion of the show. I was immediately enthralled by what was being said. The information that was presented is definitely important to our world and our future as a species.

>I may have some information that I obtained in 1993 by a fellow classmate that may be of use to you. I am not sure if the following is 100% accurate or not, but it was convincing then and the events that transpired afterward has always made me wonder.

>A very intelligent friend of mine, [REDACTED], told me of several things that at this time astonished me. First off, [REDACTED] told me of MJ12, which at that time I had never heard of, and that a close friend of his was an active participant in that project. This person also attended high school with us, at [REDACTED] High School in [REDACTED], CA, but I never learned his/her identity. Anyways, this person according to

> [REDACTED], was a telekinetic and was involved in a research experiment
at a
> highly secret MJ12 facility in San Diego, CA. This person wished to
> come forward with information that he/she had gathered there but was
> afraid. So he/she recruited [REDACTED] to disseminate the information.
Some
> of the information that [REDACTED] told me about was a technology called
> EMIVS that was to be used for transportation purposes and
dimensional
> travel through the "east and west" poles of the Earth. He also told
me
> about a crystalline storage device that held video images from
ancient
> times and many experiments with psychic powers of various types.
Also
> at this facility were alive ETT's that were working with MJ12.
>
> All of this, and several other things all seemed very "out there" to
me
> at this time and I didn't believe it. Now however I have changed my
> tune somewhat. [REDACTED] died within a year of graduation under
"strange
> circumstances". [REDACTED] was accepted to the CIA academy and for quite
> sometime this was all he could think about. Then one day near
> graduation he announced that he would not be attending the academy
and
> instead wished to become a professional pilot instead. I was very
> shocked by this. [REDACTED] went to pilot school somewhere in Northern
> California and died soon after. He reportedly fell asleep at the
wheel
> of his car and crashed into a ditch. This is just not like my old
> friend at all. To this day I think that this was not an accident.
Of
> course I have no evidence to prove this.
>
> Well this is a strange story indeed... but I have heard stranger.
I'm
> not sure if any of this will ring any bells for you, but if it does
I am
> more than willing to help in any way that I can.
