[REDACTED] Former navy seal. Going to work for deep black contractor. In Tonopah Nevada area 52. Commander trained with him. Told not to look in certain areas. Couple of times. Night training event saw arrow shaped ships 6-8 sunny eggs up on underside. No sound very quiet. 2006-2008. New seal team member arrived. NDAs. No cell phones. New seal kept joking around big mouth. Security got agitated. Told seal team Sargent to stop him. Kid said where are the little green men. Security took everything. No pics on cell phone but joked he did. Just joking. But kid very healthy. He died of aggressive cancer in 2 weeks and died. Senior CO still calls and sort of threatens.
