>
>Dear Dr Greer,
>
>You probably have not heard my visits on Art Bell's Show.... nor have
>you read either of my books on the whole UFO coverup scenario.
>
>However, in July of 1971, I was recruited into that organisation you
>have been trying to "define." I have met and worked with some of those
>well-hidden persons you seem to be trying to expose.
>
>I was recruited in Dallas by [redacted] on behalf of himself
>and Dr Edward Teller who was the major coordinating physicist of over
>50 black "electro-gravitic" projects since the mid 50s. I had quietly
>proposed a way to make a plasma-driven flying saucer and (possibly) a
>torroidal field electro-gravitic craft. To this day I do not know how
>they found out about my work; but they did and I was invited to finish
>my work in Australia at their expense.
>
>In 1971 in Sept I was sent to Australia as "[redacted] Boys." I
>developed a strong suspicion along the trip that these guys were not
>telling me the whole picture. I waited 7 months before telling

Maxfield
>that I was ready to start to work on their project. I was then given
>instructions to telephone Sir [redacted] (Melbourne) at home
and
>identify myself... and that Sir [redacted] would then arrange everything
from
>that point.....
>
>There is a long story after this point; but let me say that the
group
>you are investigating is global - NOT American solamente..... I will
>list a few names that bear investigation by your group if you wish
to
>get more info on the real agenda:
>
>[redacted]
>[redacted])
>
>There are several more but they are of such a mean and nasty section
of
>the group that I would rather not mention them here as it would
>certainly result in my own death within a few weeks.... This is a
>fact... as these two that I have cornered guaranteed me they would
kill
>me and my family if I ever fingered them because it would mean their
own
>deaths as well. They are respectively from the British (MI6) and
the
>South African contingent of the Group. There are a number of German
>nationals involved who are either surviving Nazis from the war or
>descendents or new recruits in recent times. Work on the saucer
craft
>started immediately after WWII in a few of the German underground
>bunkers. Some work was also done in a base 120 miles inland from the
>Jabal Towuk mountain range in Saudi Arabia.
>
>The Group controls Australia almost entirely at present from their"
>Melbourne Club" meeting place... where I received my formal
introduction
>to the Group in 1972....
>
>They have at least one big base under the South Pole which used to
>require only submarine access. Now, I am not sure they are still
>operational since the cap is shifting rapidly.
>
>They have several bases here in Oz (all underground) most of which
have
>been linked by massive underground tunnels varying in diameter from
30
>feet to 100 feet... or so my security chaps related to me in the
past. I
>was told point blank that my lab would be at least 5,000 feet down
in
>what appeared to be an abandoned gold mining operation in

Victoria....
>
>Anyway, Dr Greer, on the off chance that you are not working for the new
>directorate of the Group, I am submitting my name to your witness list.
>They have already cost me two marriages and loss of my US citizenship as
>a result of my having fought them them to make this info more public
>back in 1972-73..... I published part of what I knew then in my first
>book and made it clear the rest would surely come out if they aced
>me.... I have lived much longer than I ever hoped; so if you are indeed
>open to the greater truth of what is happening, I will be an asset. As a
>US patriot of the first order I have given most of my adult life to
>getting the truth to the people of the US and eventually to the rest of
>the world. Now, I am afraid time has run out for us..... sadly...
>
>I formerly held Secret and Top Secret security clearances at the USAF
>Academy (1962-64) and at Carswell AFB in USAF Reserve (a SAC base). I
>also worked undercover for the FBI in Dallas during the lead-up to the
>Watergate breakin. I was in a position to monitor Murray Chotner and a
>couple of other fellows from Nixon's office when they were in Dallas.
>
>The FBI under Hoover at the time was aware of the Group - but they
>didnot know the extent of their technological advances at that
>time....
>
>Well, I will sign-off now. I am just an ordinary guy who once upon a
>time in Dallas was exceptionally fortunate to discover a technology that
>is quite wonderful. I am not a former astronaut or a former elected
>representative.... I am just a guy caught-up in one of the most terrible
>wars ever conceived... a secret war.... a soul-destroying war punctuated
>with the dead bodies of many good men before me who have tried to bring
>this all out... Until I heard you on the web replay of the Bell Show, I
>thought I had to be the last remaining Don Quixote on the planet and I
>was feeling pretty miserable about it...
>
>If your efforts are truly selfless and apart from the Group and not part
>their well- planned deception which is set to spring any day now, then I
>salute you and those who fight beside you... albeit so late in the
>game...
>
>May God Bless all righteous causes and persons if such exist on

Earth
>these days.
>
>Sincerely,
>
>[redacted]
>
Steve, if its of any interest, my sister, who visited me here a couple of
weeks ago, lives in Perth, West Australia.
