Please AFB Radar (N.H.)

He was told Peace had UFO target to his right over the water. After hand off to Portland radar he was told they had an unid. target. "will you check it out?" - "yes."

UFO seen at est. 500' below & about 2 mile out Bright brown glow (017) hovering over water. They know its exact flt path. ALC changed flt path & spotted it. They said ALC was directly over object but he couldn't see it. ALC tried to spiral down but " " " " " Pilot only saw it once = large brown glow (023). Pilot told people would meet him at Portland (Fed. official) Don't contact the Press, TV or anyone. Portland tower operator saw it on radar. Some Delta ground crew also saw it fly over the airport (031). "A large brownish glow cylinder sitting on top of a disk shaped object - Flew over airport & on out over water

The UFO flew near the Bush Compound
Pilot didn't get copy of audio tape (from Burlington, Vermont)
He went back by vectoring
