

Mam - Inuastogator -  
747 has radar in No. 2.

"Calpepper" <<>

Target was huge -

Machine thought water -

because so large =

But object seen by  
JAL-747 pilot -

Northwest's -  
Tried to get

"ridg tape -

"Faster than anything  
we have."

73 Foot ball field!

Regina Scientific Studios  
contacted him -

"made meeting in 'round room' FAA

10 FFL,

HQ.

3-CIA

3-FBI

3-Scientific Team.

"This meeting never happened"

No aerial video type of radar -

Very Credible!

Went to Tech Center

Atlantic City -

Antic & Radar -

ran for 30 min's

UFO chased 30 mi -

Watch Desk - called - supervisor  
went - Scrambled military  
jets -

From S/W UAL

Flight called in

to vector to JAL -

Got Target followed  
UAL to Alaska  
Southwards

Non-linear  
movement 105

Sweep -  
Across Elsewhere.
