> ::: [REDACTED] n The Aviary :::

> [from the London Times, July 1 1998]

> I HAVE been discussing my work in the 1970s with the
> CIA a little more openly for the past few weeks. The Men
> In Black haven't come round yet, so I'll take another step
> into the deep waters - and recommend you log on to
> [http://w\[REDACTED\]](http://w[REDACTED])

> The Aviary is an informal network of government and
> military officials in America who share a fascination with
> UFOs. Its 12 members, so the conspiracy theory goes,
> are dedicated to creating a smokescreen around CIA
> misuse of extra-terrestrial technology.

> The site opens in macabre fashion with a picture of a huge
> pterodactyl and a blood-curdling quotation from
> Revelations under the heading: "Dark Disciples of
> Diabolical Disinformation". The introduction announces
> the members as "spooks who often work at
> cross-purposes and frankly don't even get along with each
> other all that well. Extremely weird birds."

> I can confirm these 12 exist, and their long-standing
> obsession with alien science is genuine. I worked closely
> with [REDACTED] for instance, whose Aviary codename is
> allegedly "Owl". His Institute for Advanced Research in
> Austin, Texas, claims to extract energy from vacuums. Is
> this a technique derived from captured UFOs?

> [REDACTED], the Aviary's "Pelican", is involved in ET
> disinformation. He heads the CIA's Weird Desk, which
> fields UFO sightings and inquiries from the public. Many
> of his statements contradict facts I know to be accurate.
> But no one should expect a secret service man to tell the

> whole truth, the whole time.
>
> [REDACTED] or "[REDACTED]" was director of Project Stargate,
> training spies to project their minds into enemy territory
> and "remote-view" military bases.
>
> One bird is said to be experimenting with Aleister
> Crowley's black magic rituals, using twisted mind-power
> to induce heart attacks or strokes in humans.
>
> I was approached 20 years ago by a government agency
> representative proposing psychic experiments to stop the
> heart of a pig. I stared him in the face and a name flashed
> across my mind: KGB director [REDACTED] Could
> some of the birds in the [REDACTED] have similar ideas?
