He's in CT. Will do on camera interview with full ID! P s I gave him my email and cell. Spoke for 1 hour. He touched the disc. ET. 20-30 ft diameter. Could not be scratched- super hard. Heavy: ship listed 45+ degrees when hoisting. Over 18,000 lbs. seamless no openings. Silver. Undamaged. 2002-3. Was caught up in a Taiwanese fishing boat net. 20 miles south of Guam. Near deepest part of Marianas trench = over 36,000 feet deep. Many ufo sightings there. Other retrieval's. Likely base in deepest part of trench. Has names of some other crew members. Will pursue. Will write up very detailed report with drawing of ETV. Print all this and begin paper files. Amazing case.
