Email Subject: Firsthand account of conversation w/B-1, Apollo Proj Man

Email Body: Dear Dr. Greer, Your work in contact and Zen is laudable. Would like to send you an account of what occurred when I asked him why we suddenly stopped visiting the moon. He was a top manager in the Apollo Program under contract from Boeing after leaving the Air Force, same job, different paycheck, Was a Project Manager for the B-1 prior to NASA. I am former USN P-3 IFT and Aircrewman w/over 4000hrs. and have my own stories as well, since I began exploring this topic after meeting Dr. J. Allen Hynek as a boy after he "turned" and began spreading the truth. Since this account will take a lot of work to put together I want to make sure it will actually reach your staff and archives. Have been a formal, named, Zen initiate for many years, my [REDACTED] is the [REDACTED]. In gasso.
