Mr. Greer:

It is an honor to hear from you.

1. I gave a five hour interview to Channel 4 in London to Tim Showcroft and director, [REDACTED] when I was in Laughlin and gave a presentation based on my research, my experiences, and my contacts.
 2. I assume you have read the text on MSN UFO Forum or on UFOmind.com Sightings.com (search [REDACTED] has posted a lot of this information in addition to five hours of interviews in their audio archives.
 3. Also MSN UFO Forum (<http://communities.msn.com/ufo>) has interview and almost three hours of audio archived.
 4. My bio and some of the documents I got through a NSA employ, explained in the presentation are presented on my web page [http://\[REDACTED\]](http://[REDACTED])
 5. I will try to call you now. I am available from 2 PM CST until midnight daily at [REDACTED]
- Sincerely
[REDACTED]

Dear [REDACTED]

My UK Coordinator for CSETI has forwarded to me an article by you entitled

UFO Triangles...Theirs or Ours?Answer: BOTH. This is the same conclusion which we have reached.

Confidentially, we are working with ABC on a major prime time news piece to air on 20/20 dealing with UFOs and specifically military witnesses thereto.

Would you be willing to speak to me, and then them, about your own first hand knowledge? We are not allowing second hand hearsay into the piece and it will involve numerous witnesses from various time frames (1940s to current time).

Please let me know asap if you would be willing to discuss this with me at your earliest convenience. My phone number is [REDACTED] fax: [REDACTED]

Best Regards,

Steven M. Greer M.D.

Director of CSETI (The Center for the Study of Extraterrestrial Intelligence)
