VII. COMMENTS, FACTS AND SPECIFIC ACHIEVEMENTS: Lt Jacobs has continued as OIC of the unit's largest section in the completion of photographic requirements on fifty-two R&D Space and Ballistic launch activities for AFSC and SAC. An additional 365 special tests and fueling exercises have been successfully covered. For his demonstrated potential in supervision of this extensive technical photo section, he was selected for 45 days TDY as OIC of the photo unit at a Pacific Island location. From 18 Dec 63 through 4 Feb 64, he supervised instrumentation, documentary, and technical still photography for the high priority needs of JTF-8 and SSD (AFSC). This necessitated close staff coordination with senior officers of both commands. He has also spent two weeks TDY at Eniwetok Island, as project officer for re-entry vehicle tracking documentation. As OIC CE Officer, he has, and is presently preparing a new consolidated operation plan jointly with CE technicians for the total radio communications needs of this unit at VAFB and Point Arguello, as well. As alternate photo Briefing Officer for the 1STRATAD (SAC) Ballistic Missile Staff Familiarization Course, he provides a briefing that has received several mentions as the best presentation of the course. **STRENGTHS:** This officer personifies the highly motivated junior officer. He possesses a strong desire to excel and seizes all projects directed to him with a consistent eagerness. He has a quick and retentive mind plus a degree of confidence not often realized at this early stage. **SUGGESTED ASSIGNMENTS:** After one more year in his present duty, consideration should be given to service in his PATSC, to secure use of his talents in motion picture production. **CIVIC RESPONSIBILITIES:** Lt Jacobs is very active in the VAFB Starlight Players. He has directed and acted in several adaptations for combined audiences. He has also assisted in the VAFB Dependents Orientation Program. **OTHER COMMENTS:** Lt Jacobs has been augmented into the Regular Air Force during this period. This report covers from 20 Sep 63 to 6 Feb 64 as 2nd Lt, and 7 Feb 64 to 19 Mar 64 as 1st Lt.

IX. REVIEW BY INDORSING OFFICIAL: I agree with this report. Lt Jacobs is a very competent young officer, performing effectively in a responsible position. The proposed UMD authorizes a Captain for this position because of its growing responsibility. Heavily loaded with several important and time consuming additional duties, Lt Jacobs has managed to stay abreast of each, successfully meeting their requirements. He is a sincere, intelligent, career-oriented officer from whom
