"The Sentinel"

wants to be
information base

getting conflicting orders from outside the military
had documents

4 yrs USA

creating books -

1990 - Gulf Breeze 8? 6?
1996 -

- in jail at Ft. Campbell GA
- for a time under the control of non-military organization
- met alien at Ft. Meade (1940 - Vance Davis), would skin color

dealt in press as his job

Area 76 - New Mexico
82 - New Jersey

- checks people out for others

Area 51 - testing area / most of work goes on elsewhere

UFO - in initial reports then identified as something else

AVC - Alien Visitation Craft

Co Intel Pro - Counter Intelligence Programs

putting out totally false documents / letters from ~~those~~
what seem to be personal letters

- general e-mail

had total access & all info re "the war"
helped build security systems
partner - helped him - willing to discuss in Albuquerque - wrote "The Food War"
some friends who worked & can't be killed
