OPEN LETTER

Jim;

Quite apparently the person to whom you shared a copy of the clean PROJECT AQUARIUS document with does not understand the Law, nor the facts-

1. The PROJECT AQUARIUS document that I sent to you IS(!!!) headed "TOP SECRET", and therefore you are obliged by the law, to that document into the authorities, so go to the nearest FBI Office, and make the following request to them-

2. Under the current Executive Order 13525, Sections 3.5, 3.6 you have the right to ask for an legally "UNCLASSIFIED" copy of the PROJECT AQUARIUS document-

3. No Agency of the United States Government does not has the authority to create a bogus document - {See attachment - USC.docx} -

4. Look a PAGE 9 OF 9 pf the PROJECT AQUARIUS document, it is the very same document as is the legally "UNCLASSIFIED" PROJECT SNOWBIRD document found in a partial of my Defense Investigative Service (DIS) file number 89311-DK1-3408-1W9 - {See attachment - Doc 1.doc} -

5. I was investigated and cleared by the DIS for having provided a copy of the PROJECT SNOWBIRD document to the Aerojet Security Manage Mr. C.A. Bowers - {See attachment - DIS DOCUMENTS_New[1].pdf} -

6.The FBI has a very extensive file on [REDACTED] E - {See attachment FBI FILE[1].pdf} - and Mr. Moore acknowledges that I an the individual in "California" to whom he sent an "unclassified"

document to, and he acknowledges that that document is the PROJECT SNOWBIRD document, which is
PAGE 9 OF 9 of the PROJECT AQUARIUS document - {See attachment project aquarius[1].pdf} -

So I challenge you, and the person to who you showed the PROJECT AQUARIUS document to, to go to
the FBI and ask then why "THEY" are covering up the facts, for that IS your RIGHT to know the truth as to
the Authenticity of the PROJECT AQUARIUS document.

And you are welcome to use my name in this regard and ask them why they REFUSE to respond to my
FOIA request to them for a copy of my FBI file - {See attachment - DIS DOCUMENTS_New[1].pdf} -

Thanks again-
