Freedom of Information Act Request
(5 U.S.C. 552)
Air Force Office of Special Investigations

Dear Sirs;

Please note this Freedom of Information Act request 5 U.S.C. 552 (see enclosure A) dated 12/23/99 to the-

Inspector General
Department of Defense
400 Army Navy Drive
Arlington, Virginia 22202-2884

which was responded to by the United States Air Force (see enclosure B-3) dated 3 March 2000 wherein they state-

"The Security and Special Oversight office conducted a search for records responsive to your request, no records were found."

With regard to the authenticity of the Briefing Document Operation Majestic 12 the FBI however responded (see enclosure C-5, page 7) by stating-

"THE OFFICE OF SPECIAL INVESTIGATIONS, U. S. AIR FORCE, ADVISED ON NOVEMBER 30, 1988, THAT THE DOCUMENT WAS FABRICATED. COPIES OF THAT DOCUMENT HAVE BEEN DISTRIBUTED TO VARIOUS PARTS OF THE UNITED STATES. THE DOCUMENT IS COMPLETELY BOGUS."

Quite obviously if the Air Force knows that the Briefing Document Operation Majestic 12 is a fabrication and bogus they would possess records of proof for same and this response (see enclosure B-3) would be incorrect.

Further, there is no explanation as to why I was provided an UNCLASSIFIED copy (see enclosure D) of the document.

I had sent a copy of the still classified Briefing Document Operation Majestic 12 to Vice President Dan Quayle requesting its classification and authenticity status. The document was returned to me in its UNCLASSIFIED form as a part of a Defense Investigative Service File number 89311-DK1-3408-1W9. I had received under the Freedom of Information Act. I had been investigated by the Defense Investigative Service because in my letter to Vice President Dan Quayle I had included the designation of F-117 in connection with SENIOR TREND which was at the time still classified information.

My original requests were-

1. Under the FOIA (5 U.S.C. 552) I respectfully request a copy

of that record which prohibits me from circulating copies of the UNCLASSIFIED Briefing Document Operation Majestic 12 as genuine and properly UNCLASSIFIED.

I am sure that you recognize that if this document is genuine it will change some 52 years of history. However, if the document is bogus, then the Air Force Office Special Investigations (AFOSI) is guilty of breaking the law, most specifically Title 18, 1001 which states-

Whoever in any matter within the jurisdiction of any department or agency of the United States knowingly and willfully falsifies, conceals or covers up by any trick, scheme, or device a material fact, or makes any false, fictitious or fraudulent statements or representations, or makes or uses any false writing or fraudulent document knowing the same to contain any false, fictitious or fraudulent statement or entry, shall be fined not more than \$10,000 or imprisoned not more than five years or both.

Ergo-

If the Briefing Document Operation Majestic 12 is bogus-

2. I respectfully request a copy of that record wherein the Office of the Inspector General has taken action against the AFOSI for breaking the law (Title 18, 1001).

Also, if the Briefing Document Operation Majestic 12 was fabricated and bogus-

3. Under the Freedom of Information Act 5 U.S.C. I respectfully request a copy of that record that proves such a fact.

I will pay up to 15 dollars for a copy of the requested records.

Thank you for your time Sirs.

This is in response to your 4 December 2000 Freedom of Information Act (FOIA) request for information. Your request was received 27 December 2000. AFOSI FOIA #182 was assigned to this request. We apologize for the delay in responding to you.

A Search of the Defense Clearance and Investigations Index (DCII), using the identifying data furnished in your letter, has disclosed that the Air Force Office of Special Investigations is not maintaining any files identifiable with your request. The DCII is a consolidated listing of files held by the investigative components of the Department of Defense.

We also consulted with other AFOSI offices to determine if the responsive documents existed. AFOSI does not possess any documentation that gave the Air Force permission to circulate the reference documents. AFOSI does not possess any records that would prohibit you from circulating the copies of the unclassified briefing. We have searched our files and cannot locate any records relating to Operation Majestic 12.

If you interpret this "no records" response as an adverse action, you may appeal it to the Secretary of the Air Force within 60 days from the date of this letter. Include in the appeal your reasons for reconsideration, and attach a copy of this letter. Address your letter as follows:

Secretary of the Air Force
