Dear Mr. Greenewald:

This is a final response to your April 23, 2024 Freedom of Information Act (FOIA) request, a copy of which is enclosed for your convenience. The Office of the Secretary of Defense/Joint Staff (OSD/JS) FOIA Requester Service Center received your request on April 23, 2024, and assigned it FOIA case number 24-F-1134. We ask that you use this number when referring to your request.

The Defense Office of Prepublications and Security Review (DOPSR), a component of OSD, conducted a search of their records systems and located 17 pages determined to be responsive to your request. Mr. Paul Jacobsmeyer, Deputy, DOPSR; and Mr. Paul Plescow, Senior Intelligence Officer, AARO; in their capacities as Initial Denial Authorities, have determined that portions of the 17 responsive pages are exempt from release pursuant to 5 U.S.C. § 552:

(b)(4), trade secrets and commercial or financial information obtained from a person that are privileged or confidential;

(b)(5), inter- and intra- agency memoranda which are deliberative in nature; this exemption is appropriate for internal documents which are part of the decision-making process, and contain subjective evaluations, opinions and recommendations; and

(b)(6), information which, if disclosed, would constitute a clearly unwarranted invasion of the personal privacy of individuals.

Please note that we have considered the foreseeable harm standard when reviewing records and applying exemptions under the FOIA in the processing of this request.

In this instance, fees for processing your request were below the threshold for requiring payment. Please note that fees may be assessed on future requests.

If you have any questions or concerns about the foregoing or about the processing of your request, please do not hesitate to contact the Action Officer assigned to your request, Turia Winkler, at turia.d.winkler.ctr@mail.mil or 571-372-0448. Additionally, if you have concerns about service received by our office, please contact a member of our Leadership Team at 571-372-0498 or Toll Free at 866-574-4970.

Should you wish to inquire about mediation services, you may contact the OSD/JS FOIA Public Liaison, Virginia Burke, by email at osd.mc-alex.oatsd-pclt.mbx.foia-liaison@mail.mil or by phone at 571-372-0462. You may also contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. Good afternoon and happy Wednesday!

24-P-0218 is being tracked by two Action IDs: ADM070014-24 assigned to both USI and AARO(I'm attempting to assign down for USI review how CATMS isn't currently cooperating) / ADM070048-24 just assigned to AARO

AARO, can you please review 24-P-0218 24-P-0272 and 24-P-0258 and provide your response ASAP.

Yes, 24-P-0218 was to be reviewed by both I&S and AARO. I have repeatedly checked CATMS, including today, and the responses from either were not there.

I also still need responses from AARO For 24-P-0272 and 24-P-0258.

Thank you for your continued assistance.

AARO, please provide a status of this action.

24-P-0218 was only assigned to AARO in CATMS. If you would like I&S to work addition review it will need to be assigned to USI as well.

24-P-0258 was completed by I&S attached as well as put into CATMS under supporting documents.

24-P-0272 was assign to I&S(373 attached and in CATMS in supporting documents) as well as AARO in CATMS.

Good afternoon! Writing again re the case below. I'm still waiting on responses as indicated.

24-P-0258- I&S and AARO- suspense 9 Feb

These cases need to be completed ASAP. Not only is DOPSR under a lot of pressure from (b)(5)
(b)(5), but (b)(6) has complained publicly about how long reviews are taking and DOPSR is now

receiving emails from "concerned citizens" all around the world (including Norway) about the matter. DOPSR will happily staff documents concerning UAPs to I&S and AARO as requested, but the review must actually be completed. Further delay is simply not ok. Thanks!

Subject: DOPSR Submission/Attn (b)(6)

Dear Sir/Madam:

This is my second effort to submit the attached message to DOPSR for review to confirm it is not classified. Apparently the registered 3 page letter I sent Jan 3 is being returned because some employee deemed it a security threat! I knew my handwriting was bad but I didn't know it was scary bad!

Anyway, enclosed please find a copy of a message I received from a former DoD employee some years ago. I was so stunned I took a screenshot before the message thread was deleted. I am hereby submitting it for declassification review (attached below).

Given the fact that (b)(5) and other (b)(5) have categorically denied the validity of such claims, and indeed even permitted former USG official (b)(6) to make public claims along these lines, I assume there would be no objection to me releasing this information to Congress or the public. These claims came in the form you see, with no classification markings of any kind. As you might expect, the author of the message does not wish to be identified. I have also redacted the name of the alleged (b)(5) "gatekeeper." I would not publicly release that information out of respect for his privacy. I understand the oversight committees already have that name anyway.

My potential goal, if I were to release this information, is to help make clear to skeptics why I have taken such extraordinary claims seriously over the years and supported Congressional inquiries on this issue. My bottom line remains unchanged: I hear credible claims, but also credible denials; therefore I do not

have a position on the validity of the allegations the (b)(5) has recovered alien technology. I simply respect and support Congress' investigation of the issue.

I appreciate your consideration of my request to review the attached.

Sincerely,

Chris Mellon
