I hope all is well and you are well.

I'm writing regarding the Black Tetrahedrons Over the Kremlin and Pentagon.

My family has been receiving information about this event for many years and it is referred to as The Great Emergence.

I'm a Priest in the Melchizedek Priesthood. Melchizedek is a manifestation of a 'Son of God' that has intrigued spiritual thinkers and scholars for centuries.

The Order of Melchizedek is Eternal, and has foreordained its 'Priests and Programs' before the world was.

I'm not a religious person, although the Melchizedek Priesthood is mentioned in Psalms: "The Lord has sworn and will not change his mind: 'You are a priest forever, in the Order of Melchizedek'"

The Order of Melchizedek are 'Sons of Truth' behind historical wisdom, holding the keys to the true history of the planet and true genealogy of the Adamic people.

This viral video shows extraterrestrials hovering over [The Dome of the Rock in Jerusalem](#), then suddenly shooting up into the sky.

The Priesthood of Light holds the keys to opening of the heavens with respect to the contact areas of the Earth and have the ability to commune with the celestial communities of the Brotherhoods of Light throughout the Father universes coordinating the work of The Christ in the heavens and on Earth.

Melchizedek Priests identify with the Logos, the rational principle that governs and develops the universe, creative power, inspiration, reason and evolution; as Priest of God and is honoured as an untutored priesthood that has great authority to perform miracles.

I look forward to hearing from you soon.

Thanks,
