Dr. Steven M. Greer

Dear Steven,

Thank you for your visit in November. The house is still buzzing from our conversations and my wife has become a total believer. I hope I was of some help to your important project. It was a life changing experience to be able to personally tell someone of your stature of my experiences without feeling intimidated or ridiculed. I kept silent for twenty-eight years with no outlet for my frustration and I thank you allowing me to speak freely.

I received your book and went through it immediately and have passed it on to others. Also enclosed find a copy of my service DD 214 and a list of duty stations.

Very best on your Disclosure Project and my best to your family.

Enclosure: DD 214
