TOP UFO RESEARCHERS TO MEET

AT WALT DISNEY WORLD

LAKE BUENA VISTA, Fla. — A group of the nation's top UFO researchers will converge on Walt Disney World Resort in late January for a series of updates on the status of recent investigations into the phenomenon.

The Magic Kingdom's New Tomorrowland, recently updated with major new attractions dealing with time travel and aliens, will serve as the backdrop for panel discussions moderated by Don Ecker, research director for "UFO," the pre-eminent magazine in the field of UFO investigations.

Ecker, who has spent years studying UFOs, says the timing is right for this "UFO summit," since sightings around the country have increased dramatically in recent months.

Joining the prestigious list of UFO researchers will be several persons who say they have been abducted by aliens and subjected to various types of experimentation or examinations by aliens. The abductees are members of Close Encounters Research Organization (CERO).

The audience for the discussions will consist of media representatives from around the world who have been invited to see and experience the rejuvenated New Tomorrowland. The UFO panel discussions are scheduled for Jan. 24, Jan. 26, Jan. 31 and Feb. 2.

Editor's note: For coverage information or scheduling of satellite interviews contact [REDACTED] or [REDACTED].

WALT DISNEY Attractions, Inc.

Dear Guest,

We are pleased you will be joining us as we celebrate the opening of our new Tomorrowland!

Enclosed are your Delta Air Lines tickets. We recommend that you call Delta before leaving for the airport to confirm your departure time. Please be aware that any changes that you make to your confirmed reservations will jeopardize your tickets being provided on a complimentary basis.

Upon arrival at the Orlando International Airport, please proceed to the Baggage Claim Area. You will be met by a WALT DISNEY WORLD representative who will direct you to the appropriate transportation to Disney's All Star Music Resort.

Once you have arrived at **Disney's All Star Music Resort**, please register at the front desk. After registration, proceed to the New Tomorrowland Hospitality Area where you will receive your important credentials for the week.

We look forward to hosting you during this exciting celebration. Please contact us at [REDACTED], if you have any questions.
