CONFIDENTIAL.

GENERAL

Were there any other witnesses? yes How many? 5

Was this sighting reported in the press? NO

Have you ever seen anything like this before? NO

Name [REDACTED] Address [REDACTED]

City [REDACTED] Smith Phone [REDACTED]

County Sebastian

Educational background Some College

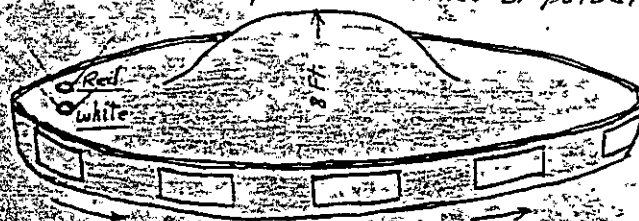

Technical experience _____

Occupation owner + operator of Abstract Company Age 39 Date 10 / 3 / 76

Please use the space below for any comments or for continuing your narrative.

The craft was circular and the outside rim appeared to revolve counter clockwise. The revolving rim had rectangular openings evenly spaced, through which a very bright, white light could be seen.

The top, rear edge of the craft had two lights, one white, one red (both steady glowing.) The red light could not be seen without binoculars. The craft was observed for about 10 minutes, then the lights inside the outer rim went out. The craft could be seen for about 3 minutes longer then it went below the trees and buildings. All the lights on the craft were steady. None blinked or pulsed, though the rim seemed to until seen through binoculars.

Approx. 60 ft.

WITNESS ACCOUNT

PLEASE DESCRIBE IN YOUR OWN WORDS WHAT HAPPENED AND INCLUDE IN YOUR ACCOUNT: WHAT YOU WERE THINKING ABOUT RIGHT BEFORE YOU NOTICED THE PHENOMENON; A DESCRIPTION OF THE PHENOMENON; YOUR ACTIONS AND REACTIONS BEFORE, DURING AND AFTER THE INCIDENT; HOW YOU LOST SIGHT OF THE PHENOMENON.

TO BEGIN WITH MY DESCRIPTION
OF THE EVENT, I SHOULD PREPARE
THE ACCOUNT BY TELLING ABOUT
MY EXPERIENCE MY FAMILY (FATHER
ALONE, GRANDMOTHER AND MYSELF)
ENCOUNTERED SINCE 50 odd YEARS
AGO, HERE IN CHICAGO. WE HAD
SEEN OBJECTS IN THE SKY DIRECTLY
OVERHEAD. IT WAS A MOST MEMORABLE
ENCOUNTER. - NEEDLESS TO SAY, I
HAVE BEEN A MOST AVID SKY
WATCHER EVER SINCE THAT TIME.

MONDAY MORNING 6, OCT. 86 WAS A
NORMAL GO TO THE OFFICE DAY.

WNT'D

WITNESS ACCOUNT (CONTINUED)

I ALWAYS ARRIVE AT MY OFFICE ABOUT 7:30 AM, AND SCAN THE NEWSPAPER AND RELAX BEFORE ATTACKING THE DAY'S PROBLEMS. I HAD JUST FINISHED DOING PRECISELY THAT ROUTINE WHEN I LEANED BACK IN MY CHAIR TO LOOK OUT MY WINDOW (5 FT X 10 FT) TO SEE WHAT WEATHER CHANGES MIGHT BE IMMINENT, WHEN I SAW, PERIPHERALLY, AN OBJECT THROUGH THE VERTICAL BLINDS. THIS WAS NOT A PLANE OR BIRD WHICH I CONSTANTLY SEE FROM MY VANTAGE POINT. THE SHAPE (SEE DRAWING) WAS COMPLETELY DIFFERENT FROM ANYTHING I HAVE EVER SEEN BEFORE. IT PASSED ALMOST DIRECTLY OVERHEAD (85°) AND CONTINUED ON A STRAIGHT STEADY COURSE FROM EAST TO WEST. I WATCHED IT GO BY UNTIL IT WAS OUT OF MY RANGE OF VISION. I QUICKLY RAN TO A WINDOW, 25 FEET AWAY, FACING WEST, TO FURTHER VIEW THIS OBJECT AND POSSIBLY GET A PERSPECTIVE ON IT. WHEN I GOT THERE, ABOUT 3 SECONDS HAD ELAPSED, IT HAD GONE. I'M REALLY SORRY THAT I WAS THE ONLY WITNESS.

I COULDN'T BELIEVE I HAD SEEN THIS OBJECT, FOR I HAVE BEEN CONSTANTLY LOOKING FOR SO LONG. I HADN'T THE LEAST EXPECTATION OF SEEING ANYTHING THAT MORNING, IT JUST HAPPENED.

Investigator - Bill Pitts

CENTER FOR UFO STUDIES

P.O. BOX 11 - NORTHFIELD, ILLINOIS 60093

Please relate your experience below (using the back page or additional paper if necessary) enclosing any pictures, maps or newsclippings and drawing sketches and maps you feel may be helpful. Please PRINT or TYPE throughout this form.

INVESTIGATOR'S NOTE: This is being typed AFTER receipt of the sighting report.

Persons reside in Fort Smith, Arkansas. Were visiting their son, and his wife, who reside in Tulsa, Oklahoma.

Observer, and his wife, viewed the object - along with the above. The wife confirmed same report.

Both are active members of the Arkansas Land Title Association, and requested a talk by this Investigator, on UFO's, for a recent State-wide ALTA meeting. They told me of this sighting before, and after, my talk. They were very sincere in their report, and did not try to embellish it beyond what they have reported. It is my opinion that I was asked to talk about UFO's at this meeting, because of their sighting - and they were hoping to receive a possible solution to same.

P.S. Object also witnessed by third couple - and all persons viewed object through the binoculars owned by person making this report
