

Dear [REDACTED]

8/17/05

Thanks for taking the time to meet with me last Saturday. I enjoyed our brief visit. Enclosed, please find a few photos of the U.S.S. Hughes (DD-410), and the U.S.S. Melvin (DD-680). [REDACTED] could you please spend a few minutes and draw a rough sketch from the best of your memory of what the in-flight aerial photos of the jet discs looked like when you were in the armed guard facility at MacDill AFB. I just wanted to have an updated sketch for my archives.

Thanks, [REDACTED]

[REDACTED] THANKS FOR PHOTOS OF DD 680
I HAD HOPED FOR A BETTER ONE BUT WHAT YOU SENT
WILL HAVE TO DO.

[REDACTED] - IN FLIGHT PHOTOS WERE SKETCHES
FROM MY MEMORY OF THEM, I ADDED DETAILS BELOW
THEM AS THE PHOTOS ONLY SHOWED CLOUDS BELOW,
THE ONES YOU HAVE WILL HAVE TO DO. OK?

[REDACTED] - I REALLY DON'T HAVE
ANYTHING NEW TO PROVIDE FOR WHATEVER PERSONAL FILE
YOU ARE MAKING. NOW DO I REALLY EXPECT TO OBTAIN ANY MORE
AT ALL IN THE IMMEDIATE FUTURE? SORRY
REGARDS [REDACTED]
